Democrats put up fence to protect themselves, but cancel fence to protect America

Immigration reform will be a hot top issue in 2021

JAVIER MANJARRES | JANUARY 31, 2021

Parler Facebook

Twitter

A new caravan of potential illegal aliens is on the move north from Central American and could reach the U.S. southern border with weeks. This as **President Joe Biden** has recently signed an executive order to end the construction of former President Donald Trump's
